

## Falling for Fate (Second Chance Book 2)

Fate Buchanan just wants to escape the constraints of her old life. After checking her mother into rehab and catching her fiancé with her maid of honor the night before their wedding, she ran. Angry and hurt, she's aching to do something reckless.

Dean Maxwell is having one last summer of freedom before taking over his family's multi-billion dollar medical conglomerate. When he sees a beautiful woman running down the beach alone after dark, he knows it's not safe. So he does something impulsive. When their paths cross unexpectedly after a night of unbridled passion, neither of them can forget the memory of the affair they shared. What began as one night is about to become a whole lot more. \*Authors Note: While part of The Second Chance series, this novel stands alone. \*\*Contains MA 17+ Sexual Content and Language \*\*\*INCLUDES FALLING FOR YOU NOVELLA!
