

# The Grownups Guide to Living with Kids in Manhattan, Second Edition

If children were born with an instruction manual, parents would sigh in relief. Raising children is an awesome task, especially in New York City, with its virtually limitless goods, services, and activities. This comprehensive guide to the special pleasures and challenges of raising children in Manhattan covers the city as a community resource and provides information that every parent needs to make the task of navigating city life with kids more manageable and even more fun.
