

Faster Pastor

When a NY Times bestselling author and a NASCAR driver team up to write a novel, the result is a triumph of racing and faith. Camber Berkley, a young stock car driver, wrecks his car on a winding mountain road, landing in the midst of the funeral of an elderly NASCAR fan. As punishment for his spectacular car wreck, the local authorities of the small Tennessee town of Judas Grove give him a choice: serve months in jail for reckless driving, or spend two weeks teaching the local ministers to drive stock cars, so that they can compete in a race whose prize is the \$2 million legacy left by that deceased NASCAR fan. Will the best man win. Only God knows.
