

Free Agent (Mustangs Baseball Book 0)

The stress of opening her own specialty bakery has kept Brooke tied up in knots, just not the kind she would prefer. When she spies the hunk of a Dom across the crowded bar, shes intrigued, but his wristband indicates hes off limits. That doesnt stop her from doing the most daring thing shes ever done to snag a mans attention, but when things escalate beyond even her wildest imaginings, she cant get out of there fast enough. His contract with the Mustangs is set to expire at the end of the season, and third baseman, Todd Stevens is holding out for a longer, more lucrative deal as a free agent. Convinced more money and a new city will cure what ails him, he isnt looking for a long-term relationship, much less a one-time hookup with a sub who doesnt know her place. Unfortunately, the little minx eyeing him from across the room might just be the one to make him change his mind.
