One that dares to be honest, hip, and fun? Look no more. Hipper and savvier than other guides, concurred Diversion magazine. Never shy about confronting the issues, the Irreverents are guides to real travel in the real world. The one-dimensional Amsterdam of tulips, wooden shoes, and 17th-century architecture is the stuff of many a standard guidebook, but with its booming economy, legalized prostitution, and tolerant attitude toward recreational drug use, the city is much more than that. For savvy travelers who want to fully experience the place as the locals live it, Frommers Irreverent Guide to Amsterdam, 6th Edition is the way to go, offering the lowdown on this hip, cultivated city, where old and new sunnily coexist. Youll discover the proper way to knock back genever (Dutch gin--the potent national spirit), why Amsterdam is considered the Gay Capital of Europe, plus the inside scoop on the red-light district, complete with advice and warnings.
