

FrommersA Walt Disney World & Orlando 99 (Serial)

Walt Disney World drew a record 17 million visitors for its heavily promoted 25th Anniversary celebrations in 1997, and that trend promises to carry over through next year with the grand opening of the new Animal Kingdom. And Disney is just the tip of the iceberg. Orlando is buzzing with a host of new developments this year, including Universal Studios new Twister ride, the new Wonder Works park, and more. Universal even has a brand-new theme park in the works for 1999! Personally researched by a local journalist who covers Disney for the Orlando Sentinel, Frommers now rates all the theme park rides and offers suggested ages for each one so families can enjoy every minute of the magic.
