

Notes and queries Volume 75

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1887 Excerpt: ...S. ii. 448, 498; iii. 75, 177).--As two correspondents have quoted my edition of Elia on the subject of the above essay, may I add that the exact title of the work in which these Confessions first appeared is as follows: Some Enquiries into the Effects of Fermented Liquors. By a Water-Drinker. London, 1814. It was, as I have said, edited by Basil Montagu, and consists of a number of miscellaneous extracts, original and selected, in prose and verse, on the subject of the evils of intemperance. I called it, following Talfourd, a series of temperance tracti; but such a description is possibly liable to mislead. I have amended this in a revised edition of the Elia volume, shortly to appear. Alfred Ainger. Monumental Heraldry (71 S. iii. 107).--Mr. Baonall may be glad of a reference to the following works: Boutells Monumental Brasses and Slabs of the Middle Ages, Bell & Sons, London, 1847; Monumental Brasses of England, 1849; Christian Monuments in England and Wales, 1854; as also to Thos. Dingleys History from Marble, 2 vols., 4to., 1867-68, one of the Camden Societys publications. J. Manuel. Newcastle-upon-Tyne1 u.si9J A Question Of Grammar (701 S. iii. 68).--The reformers English is much better than that of the revisers, and the use of the indicative mood after if in place of the subjunctive is clearly a grammatical error, and is destructive of one of the niceties of the English language. In the O.T., their latest work, the revisers retain the subjunctive mood throughout, as in the A.V., t. g., Gen. xxv. 22; 1 Sam. xx. 7; Job x. 15, 16; Ps. viL 3; Jer. xxvii. 18, &o. In the N.T. the indicative or subjunctive mood seems to be used indiscriminately after if. As instances

of the former, see Mat...
