

Garfield Takes His Licks: His 24th Book

Eat, Sleep, and Be Merry with Garfield! Just as day becomes night, summer becomes fall, and breakfast becomes lunch (with ample time for snacks in between!), Garfield becomes plumper and funnier with every meal he devours and every practical joke he performs. So whether he's nudging Odie off the coffee table or doing lunch with Jon's goldfish, Garfield's in it for the fun and so are we! The GARFIELD CLASSICS series collects the early years of the GARFIELD comic strip in a larger, full-color format. Garfield may have gone through a few changes, but one thing has stayed the same: his enormous appetite for food and fun. So laugh along with the classic cat, because classics are always in style.
