

## The Rough Guide to Beijing 3 (Rough Guide Travel Guides)

This guide to Beijing brings the city's highlights to life from the latest hip nightspots and fashionable eateries to the ancient splendours of the Forbidden City. Easier to use and more to the point than its main rivals, there are accounts of all the city's attractions and reliable, practical information on how to get around, where to stay and where to find the best restaurants and bars. The guide also includes detailed accounts of excursions outside the city to historic towns and hikes along the Great Wall. Each district is covered by a thoroughly researched and fully indexed map.
