

Glisten

The death of Western medicine. The death of a federal agent. And the death of sisterly love. An explosive new law bans Western medicine and forces Americans to adopt naturopathic medicine as the only legal form of healthcare. Glisten is the biggest health revolution America has ever seen and sparks controversy that touches many lives... including twin sisters Isabelle and Charelle Adler, who haven't seen each other since they were teenagers. Now Isabelle is a Health Enforcement Agent for the U.S. Department of Glisten and Charelle is deeply entrenched in the Resistance. Add in Isabelle's murdered fiancé and Dr. Jade, a naturopathic doctor who orchestrates a risky maneuver to save her marriage, and Glisten is a fast-paced story about holistic medicine, family secrets, and dangerous choices. Review: Exciting, gripping and unique, a rare find, Glisten is a book that will have readers waiting impatiently for the next story in this new series. With well-developed characters, the author grips the reader from the very first page. It's one of those stories where the reader will think, This could become the next best suspense movie to rock the world. 4 ? stars - Affaire de Coeur Magazine Reader Comments: For the health-conscious reader who loves a page-turner, Glisten establishes a whole new genre of fiction - wellness fiction! H.A., Denver, CO. I couldn't put Glisten down. I had to keep reading to find out what happened next! M.E., Baltimore, MD. Lyle creates an irresistible look into the world of holistic health with Glisten. V.H., Portland, OR.
