

Savage Season: A Hap and Leonard Novel (1) (Hap and Leonard Series)

The basis for the new TV series Hap and Leonard is a rip-roaring, high-octane, Texas-sized thriller, featuring two friends, one vixen, a crew of washed-up radicals, loads of money, and bloody mayhem. Hap Collins and Leonard Pine are best friends, yet they couldn't be more different. Hap is an east Texas white-boy with a weakness for Texas women. Leonard is a gay, black Vietnam vet. Together, they steer up more commotion than a fire storm. But that's just the way they like it. So when an ex-flame of Hap's returns promising a huge score, Hap lets Leonard in on the scam, and that's when things get interesting. Chockfull of action and laughs, Savage Season is the masterpiece of dark suspense that introduced Hap and Leonard to the thriller scene. It hasn't been the same since.
