

Hassan : the story of Hassan of Bagdad, and how he came to make the golden journey to Samarkand : a play in five acts

A room behind the shop in Old Bagdad. In the background a large caldron steaming, for the shop is a sweet-stuff shop and the sugar is boiling. The room has little furniture beyond the carpet, old but unexpectedly choice, and some Persian hangings (geometrical designs, with crude animals and some verses from the Koran hand-printed on linen). A ramshackle wooden partition in one corner shuts off from a living room what appears to be the shop.
