

## Nora Roberts Irish Trilogy: Jewels of the Sun, Tears of the Moon, Heart of the Sea (Irish Jewels Trilogy)

Jewels of the Sun (Jill Sovis, engineer) Determined to re-evaluate her life, Jude Murray flees America to take refuge in Faerie Hill Cottage, where she immerses herself in the study of Irish Folklore, and discovers hope for the future in the magic of the past. Tears of the Moon (Melissa Coates, engineer) A talented songwriter, Shawn Gallagher spends his days lost in reverie and wonder, oblivious to the wiles of women and the ways of the world. He claims that he's content with his life, but his music tells a different story - one of loneliness and desperate longing... Heart of the Sea (Jill Sovis, engineer) Darcy Gallagher has always believed in the pull of fate, the magic of legend ... and the importance of money. She longs to find a rich man who will sweep her away - into a world filled with glamour and adventure, and the exotic life that is her destiny.
