

## Goodbye Girl: Hidden Lane Ranch, Book 1

Due to mature content, this is suitable for listeners 18-plus Rachel met Clint in a diner one night while she was on the road trying to escape her past. From the moment they lay their eyes on each other, sparks fly. He offers her a job on his ranch and even though shes a city girl, she accepts. Its not long before they give in to their attraction and settle into life together on the ranch. They find happiness in each others arms and Clint quickly wonders if Rachel is the girl that can give him his happily ever after. Rachels past eventually comes back to haunt her, and threatens her happiness with Clint. Can they work through the demons of their pasts and find their happily ever after? Or will Rachel leave Clint just like she fled her life before?
