

Hike Oregon: An Atlas of Oregon's Greatest Hiking Adventures (Hike America Series)

Lavishly detailed and richly illustrated, Hike America™ guides are the ultimate hiking guidebooks. Each book includes extensive information on hiking throughout the state or region. Each profile is richly illustrated with photography and provides:

- A general overview of the hike--
- A description of any pertinent historical or geological points of interest--
- A comprehensive, mile-by-mile description of the hike and what to look for--
- Any special precautions; and special points along the way you won't want to miss--
- A locator map showing you where in the state the hike is located--
- Shaded relief maps to provide the reader with a clear picture of the terrain--
- A profile map showing the elevation gain or loss and where the steeper sections of the hike occur along the way
