

Time Out Amsterdam (Time Out Guides)

Europe's most infamous city remains one of its most popular, and for good reason. Between its world-class art museums, picturesque canals, and vibrant coffee shops that sell much more than coffee, Amsterdam's variety is glorious indeed. With one of Europe's more forward-thinking cultural scenes and striking new architectural developments, however, there's much more here to enjoy than the clichés of decadence. Written, researched and edited entirely by locals, the Time Out Amsterdam guide gives travelers the inside scoop.
