

## Wuthering Heights (annotated)

Wuthering Heights is Emily Brontes only novel. Written between October 1845 and June 1846, Wuthering Heights was published in 1847 under the pseudonym Ellis Bell; Bronte died the following year, aged 30. Wuthering Heights and Anne Brontes Agnes Grey were accepted by publisher Thomas Newby before the success of their sister Charlottes novel, Jane Eyre. After Emilys death, Charlotte edited the manuscript of Wuthering Heights, and arranged for the edited version to be published as a posthumous second edition in 1850.
