

## Ill Be Seeing You

Ill Be Seeing You is the dramatic story of six people caught up in the whirlwind of World War II. When Ted Hendricks, an American pilot, is shot down over occupied France while on a bomb mission, an underground resistance cell headed by a young French woman comes to his rescue. Hendricks escape back to England is put on hold when the resistance group receives orders to rescue two British SOE agents captured by the Gestapo. Sent to France to recover top secret German Enigma codes, the captured agents must be rescued at all cost, killing them if necessary, before the Gestapo can torture them into revealing the British have broken the vaunted code. Hendricks decides to join the resistance group in a daring daylight ambush, and six lives are forever changed as a result of the bloody attack in the small French village of Roye.
