

Destinys Dawn (Blue Hawk Trilogy Book 3)

The Sax dynasty continues as the family saga moves from Texas to a new life in the wild and dangerous land of the West. Calebs son Tom rides the outlaw trail to search for men who killed his Mexican wife, and Calebs grandson grows up to marry a Cheyenne woman, returning to the life that Caleb left so long ago. Yet Calebs youngest son resists his mixed blood and goes to great lengths to hide his Indian heritage. Through stunning changes over years of settling the West, Caleb and Sarahs love and passion for each other becomes the glue that holds their family together through tragedy and triumph. And all his life Caleb keeps the blue quill necklace his long-dead mother made for him, reminding him of his Indian blood and the Indian name he never forgot Blue Hawk. Destinys Dawn brings this trilogy to an unforgettable ending that will stay with readers long after they finish.
