

Gun Devils of the Rio Grande (Outlaw Ranger) (Volume 5)

A band of killers swoops down on a Mexican village, slaughtering the men and carrying off the women as prisoners. In Texas, a train is held up, American soldiers are murdered, and a valuable shipment of rifles is stolen. G.W. Braddock knows there's a connection between these two bloody incidents, but to discover the truth and keep the border country from erupting in chaos and violence, he'll have to risk his life more than once in a maze of double-crosses and danger! New York Times best-selling author James Reasoner returns with another action-packed, fast-paced tale of the Outlaw Ranger. Stripped of his authority by corrupt politicians, G.W. Braddock still carries the badge of a Texas Ranger with a bullet hole in the center to show that he'll go wherever he has to and do whatever it takes to bring justice to the Lone Star State! Also in this volume, bonus novella OUTLAW RANGER: THE LAST WAR CHIEF. On the trail of a vicious band of killers and bank robbers led by the notorious Clete Fenner, Braddock finds himself with an unexpected ally: an ancient Indian who claims to be the last war chief of the Comanche. Their pursuit of the Fenner gang will lead them to a bloody showdown on the Texas plains, with the lives of innocents hanging in the balance!
