

Hawaii Restaurant Guide 2005

Hawaii Restaurant Guide 2005 is the latest edition in a series covering Hawaii's special dining spots. Inside readers will find full page reviews on over 500 top picks located across all 6 populated Hawaiian Islands. This is an A-List of refined dining, casual restaurants, and mom & pops that crosses all tastes, styles, and budgets. Discussions of the unique vocabulary and cuisines found in the islands further enhance the travel adventurers experience. The authors write from a food enthusiasts viewpoint and add a travelogue spin to both entertain and inform. Readers can expect to develop a feel for a place long before they drive up to the door. Local and authors favorites are identified along with family friendly venues to help sort through the choices. Finally, actual menu items and prices are listed. What may appeal and be affordable to one person might be an entirely different story to another.
