

Le Reve (French Edition)

Le Reve est un roman d'Émile Zola publié en 1888, le seizième volume de la série Les Rougon-Macquart. Zola y aborde le thème de la religion, mais de façon beaucoup moins violente et polémique qu'il ne l'avait fait dans la Conquête de Plassans ou la Faute de l'abbé Mouret. Cette fois-ci, il s'intéresse à la foi populaire et au renouveau du mysticisme dans la société française de la seconde moitié du XIX^e siècle.
