

Making Books by Hand: A Step-By-Step Guide

The craft of book-making goes back as far as the earliest times. Though the techniques are old, the art of book making seems to be growing. This is most likely due to the beauty of handmade books but also the ease with which simple books can be made. Mary McCarthy and Philip Manna provide illustrated, step-by-step instructions to lead both the beginning and experienced crafts person through twelve simple and beautiful book-making projects. With Making Books by Hand anyone can create elegant, decorative blank books, photo albums, gifts and journals that will last forever.
