

## The Fashion Doll Diorama

If you've never been to the world of make believe, welcome! I'm Karen McGuire, Editor of Designer Dolls Magazine. Join me in this adventure in fashion dolly-land, and take the ideas, tips and general instruction on how to create a diorama to another level! You'll love this new hobby, as you will find that it is the perfect conversation starter! It also makes for great holiday decorations, greeting cards, and more! And also, just because it's fun.
