

The Flying Inn (Illustrated)

A Classic Includes Active Table of Contents Includes Religious Illustrations The Flying Inn is set in a future England where the Temperance movement has allowed a bizarre form of Progressive Islam to dominate the political and social life of the country. Because of this, alcohol sales are effectively prohibited. The plot centres on the adventures of Humphrey Pump and Captain Patrick Dalroy, who roam the country in their cart with a barrel of rum in an attempt to evade Prohibition, exploiting loopholes in the law to temporarily prevent the police taking action against them. Eventually the heroes and their followers foil an attempted coup by an Islamic military force. The novel includes the poem, The Rolling English Road. The poem was first published under the title A Song of Temperance Reform in the New Witness. Aeterna Press
