

The Oceans Call (Sirenas Children Book 1)

When Cassie moves from the oceanless Rocky Mountains to a small fishing town in California, she expects the worst. But when she sees the ocean she immediately feels it calling to her. Not long after her first swim in salt water, she learns that not only can she hold her breath for six hours, she has grown a tail! Cassie is a mermaid, and after awhile it becomes apparent that something bigger is at play. Desperate to find the truth about her birth parents, she searches for answers. Discovering sunken ships and stone tablets written in ancient Greek is only the beginning. With the help of her friends and her newly found powers, she just might figure out whats going on, before its too late... -- The Oceans Call is the first book in the Sirenas Children series. #1 - The Oceans Call #2 - The Sirens Apprentice #3 - The Lunar Artifact
