Inhibitions by Kareem Tomblin The line of propriety can become blurred between patient and therapist depending on the environment. Within the confines of a prisons walls, where the inmates are only left with their imagination and dreams, incarcerated Bobby Jackson seeks refuge with his therapist, the beautiful Dr. Goodson. As Bobby and Dr. Goodson engage in their early morning sessions, the act of becoming transparent is fused with sexual tension as the two contemplate foregoing their inhibitions, or keeping their sessions private. Cant Get Enough of Your Love by Rose Jackson-Beavers Princess Gina Mays is a popular anchor on the number 1 television news station in the Midwest. As a journalist, its her business to know about everything and anything. As such, she heard about Jared Jamison Johnson, a sexy, rich entrepreneurial who has mad bedroom skills which send many women clamoring up walls to sample him. Recently committed, Jared loves keeping his bed warm with as many women as possible, letting them go as soon as he meets the next one. That was until he met Princess whod learned to play the same games as men, leaving casualties by the wayside. Once she decides to enjoy a one-time rendezvous with the overly endowed guy shed heard nothing but good things about, all hell breaks loose. Will Jared stop at nothing to get what he wants? The Secret by Cecila Edwards After enduring a tortuous marriage and a stressful divorce, Christy invites her best friend, Theresa, for a girls weekend. Theresa is determined to help Christy forget about the past and move on with a weekend full of twists and turns. As the two celebrate Christys new freedom, the friends open up and begin to reveal secrets and desires with each other that will either bind them together, or tear their friendship apart. You Belong To Me by Keisha Ervin Three years ago Nicolette Williams

was set up on a blind date by her best friend and was told her date would be the man of her dreams, but the man of her dreams turned out to be her blind date from hell. So what happens when the pair is forced together on a tropical island for four days? Will they remain enemies or will their bodies force them to be the best of friends?
