

Life of George Eliot

Extract : In addressing these -few words of thankfulness to the creator of the Sad Fortunes of the Rev. Amos Barton? and the sad love-story of Mr. Gilfil, I am (I presume) bound to adopt the name that it pleases that excellent writer to assume. I can suggest no better one; but I should have been strongly disposed, if I had been left to my own devices, to address the said writer as a woman. I have observed what seemed to me such womanly touches in those moving fictions, that the assurance on the title-page is insufficient to satisfy me even now. If they originated with no woman, I believe that no man ever before had the art of making himself mentally so like a woman since the world began. You will not suppose that I have any vulgar wish to fathom your secret. I mention the point as one of great interest to me, not of mere curiosity...
