

## The Tom Dugan Boxset: Books 1 - 3

A LIMITED TIME OFFER on the series readers compare to Vince Flynn, Brad Thor, Robert Ludlum, and vintage Clancy! Buy the box set and save over 40% off the cost of the books purchased separately. Over 3,300 Reviews Averaging +4.5 Stars! This omnibus edition of the Tom Dugan Series includes three complete and unabridged thrillers. Over 1,200 pages of pulse-pounding action and excitement, nail-biting suspense, and political intrigue Amazon readers have awarded a combined total of over 3,300 reviews averaging 4.5 stars. (See review counts for each book in the following description, or check them out on each separate books Amazon page.) So what do you say? The price is right, so isnt it about time for you to: Meet Tom Dugan A globe-trotting marine consultant and very part-time CIA asset, Dugan was only supposed to take a few pictures in Chinese shipyards now and again, and provide discreet courier service under the cover of regular business travel. That is, until the Company needed a scapegoat, and it all went terribly wrong. Deadly Straits (Book 1) Review Count: Amazon US = 1,342/Amazon UK = 212/Average Rating = 4.5 Stars Falsely implicated in a hijacking, Dugans offered a chance to clear himself by helping the CIA snare their real prey, his best friend, London ship owner Alex Kairouz. Reluctantly, Dugan agrees to go undercover in Alexs company, despite doubts about his friends guilt. Once undercover, Dugans steadfast refusal to accept Alexs guilt puts him at odds not only with his CIA superiors, but also with a beautiful British agent with whom hes romantically involved. Deadly Straits is a non-stop thrill ride, from London streets, to the dry docks of Singapore, to the decks of the tankers that feed the worlds thirst for oil, with stops along the way in Panama, Langley, Virginia, and Teheran. Richly spiced with detail from the authors 30 years sailing, building, and repairing ships

worldwide, it is, in the words of one reviewer, fast-paced, multilayered and gripping. *Deadly Coast* (Book 2) Review Count: Amazon US = 853/Amazon UK = 143/Average Rating = 4.6 Stars Tom Dugan has barely put his life back together and started to enjoy his newly formed business partnership with Alex Kairouz, when one of their ships is captured by murderous Somali pirates. When a possible link between piracy and terrorism comes in to play, the US and British governments halt all negotiations for captives, and a frustrated Dugan defies the authorities to take matters into his own hands. But his cobbled together rescue operation stumbles across something far more sinister than piracy a rogue salvage operation for a long lost weapon of mass destruction. Dugan and his hastily assembled little band of volunteers find themselves the last line of defense between the world and a terrifying bio-weapon. Weaving historical fact with speculative fiction, *Deadly Coast* takes the reader from London board rooms into the very real world of modern day pirates and their victims. *Deadly Crossing* (Book 3) Review Count: Amazon US = 664/Amazon UK = 146/Average Rating = 4.5 Stars Six months have passed, and back home once more, life is good for Tom Dugan by any measure as he rolls through the London night, the woman he loves in the taxi beside him. Then his phone rings, alerting him to the arrival of two old Russian friends with a very big problem. Dugan attempts to help his friends rescue an innocent girl from the Russian mob plunge him into a world he scarcely imagined, endangering him and everyone he holds dear. A world of modern day slavery and unspeakable cruelty, from which no one will escape, unless Dugan can weather a *Deadly Crossing*.
