Pin it to the wall of your claustrophobic cubicle. Laugh at it around the water cooler, remarking how similar it is to the incomprehensible memos and ludicrous management strategies at your own company.--The Washington PostDilbert, Dogbert, and the rest of the worlds favorite cubicle dwellers are sure to leave you rolling in your workspace with Scott Adams cartoon collection, Journey to Cubeville.Dilbert creator Scott Adams has something special for everyone who thinks their workplace is a living monument to inefficiency--or, for those who have been led to believe unnecessary work is like popcorn for the soul.Adams lampoons everything in the business world that drives the sane worker into the land of the lunacy:\*Network administrators who have the power to paralyze an entire business with a mere keystroke\*Accountants who force you to battle ferociously to get reimbursed for a \$2.59 ham sandwich you scarfed while traveling\*Managers obsessed with perfect-attendance certificates, dead-end projects, and blocking employees from fun web sites and decent office supplies\*Companies spending piles of dough on projects deeply rooted in stupidity, as well as a myriad of stupid consultants
