

## Hector Servadac (French Edition)

Extrait: - Je le regrette, monsieur le comte, mais vos pretentions ne modifieront pas les miennes! - Vraiment? - Vraiment. - Je vous ferai cependant remarquer que je suis incontestablement, le premier en date! - Et moi, je repondrai que, en pareille matiere, l'anciennete ne peut creer aucun droit. - Je saurai bien vous forcer a me ceder la place, capitaine. - Je ne le crois pas, monsieur le comte. - J' imagine qu'un coup depee... - Pas plus qu'un coup de pistolet... - Voici ma carte! - Voici la mienne! Apres ces paroles, qui partirent comme des ripostes de crime, deux cartes furent echangees entre les deux adversaires. Lune portait : ,Capitaine detat-major. Mostaganem. Autre : ,A bord de la goelette Dobryna. Au moment de se separer : Ou mes temoins rencontreront-ils les vôtres? demanda le comte Timascheff. - Aujourd'hui, a deux heures, si vous le voulez bien, repondit Hector Servadac, a l'Etat-Major. - A Mostaganem? - A Mostaganem. Cela dit, le capitaine Servadac et le comte Timascheff se saluerent courtoisement. Mais, au moment ou ils allaient se quitter, une derniere observation fut faite par le comte Timascheff. Capitaine, dit-il, je pense qu'il convient de tenir secrete la veritable cause de notre rencontre? - Je le pense aussi, repondit Servadac. - Aucun nom ne sera prononce! - Aucun. - Et alors le pretexte? - Le pretexte? - Une discussion musicale, si vous le voulez bien, monsieur le comte. - Parfaitement, repondit le comte Timascheff. J'aurai tenu pour Wagner, - ce qui est dans mes idees! - Et moi, pour Rossini, - ce qui est dans les miennes, repliqua en souriant le capitaine Servadac. Puis, le comte Timascheff et l'officier detat-major, setant salues une derniere fois, se separerent definitivement. Cette scene de provocation venait de se passer, vers midi, a l'extremite d'un petit cap de cette partie de la cote algerienne comprise entre Tenez et Mostaganem, et a trois kilometres environ de l'embouchure du Cheliff. Ce cap
