

Kansas Bloodbath (The Pony Soldiers Book 11)

Lt. Col. Colt Harding and his Lightning Troop come to a small ranch under attack by Indians so the troop rides in and fights them driving them away. The troop is on its way from eastern Colorado to the middle of Kansas to help to put down a bloody rebellion by the whole Sioux nation. An estimated 1,500 Sioux were butchering men, women and children on ranches, stages, and small towns. The Lightning Troop is committed to ride in and take the fight to the Sioux.
