

The K.D. Lovgren Collection

Three beautifully-written novels of suspense. Digital boxed set of K.D. Lovgren's first three novels, including *PHOTOGRAPHIC*, a top-ten Amazon bestseller. *SEA CHANGE* and *PHOTOGRAPHIC* are both AWESOME INDIES APPROVED -- awarded a place on the list of quality independent fiction. Including *BOOK OF LIGHT AND SHADOWS*, a tense novella in the vein of Daphne du Maurier, and an additional, abridged version of *PHOTOGRAPHIC* not available elsewhere.

SEA CHANGE Connor must cross oceans in search of home. In the summer before college, Connor Lascaux has two things on his mind: finding his mother, who has traveled abroad and not returned, and the provocative young artist, Reven, he meets while looking for her. Connor's father is a physicist unsympathetic to his son's concerns, and the man Connor has always tried to live up to. Overseas are answers, if Connor is willing to pick up and follow the thread of where his family began to unravel.

PHOTOGRAPHIC When Jane married Ian Reilly, he wasn't famous, just a method actor with a dream. In the seven years since their marriage, he's catapulted to the A-list, they own a secluded farm in the Midwest, and Jane and Ian are living separate lives. While Ian films a blockbuster, action-packed version of *The Odyssey* on the island of Crete, Jane is hunted by a tabloid photographer who won't take no for an answer. As *Odysseus*, Ian is six thousand miles away and three thousand years in the past. His plunge into the tribulations of an ancient Greek hero has left her an unwilling Penelope. When the tabloids break an on-set story too outrageous to ignore, Jane undertakes an epic journey of her own to uncover the truth.

BOOK OF LIGHT AND SHADOWS A modern Gothic tale of suspense, in the tradition of *Rebecca* and *The Woman in White*, *Book of Light and Shadows* explores the unknowable in the

space of what we think we know about the person we choose to share our life with. How far would you go to bring your spouse back from the brink? Former professional athlete Terrence thinks his wife's blues have gone on long enough. If pro sports taught him anything, it's how to shake it off. Octavia was an Olympian once. Now she's a mess. Time for an intervention, Terrence-style. PHOTOGRAPHIC Abridged Version A shorter, faster-paced version of PHOTOGRAPHIC.
