University Press Dual-Language Classic Edition (Spanish-English) Annabel Lee es el ultimo poema completo compuesto por el escritor y poeta romantico estadounidense Edgar Allan Poe. Como en muchas de sus obras, explora la tematica de la muerte de una hermosa mujer. El narrador, enamorado de Annabel Lee cuando eran jovenes, continua estandolo tras su muerte. Su amor hacia ella era tan fuerte que incluso los angeles estaban celosos. Existe un debate sobre que mujer, si es que la hubo, sirvio de inspiracion para Annabel Lee. A pesar de que se han sugerido los nombres de varias, la candidata mas creible es su esposa, Virginia Eliza Clemm. El poema, escrito en 1849, no fue publicado hasta poco despues de la muerte de su autor, ese mismo ano. El narrador del poema describe su amor por Annabel Lee, que comenzo hace muchos anos en un reino junto al mar. A pesar de ser jovenes, su amor mutuo era tan grande que los angeles tenian celos de ellos, y por eso murio ella, segun el narrador. Aun asi, su amor es tan grande que se extiende mas alla de la tumba y el narrador cree que sus dos almas continuan hermanadas. Cada noche, suena con Annabel Lee y ve el brillo de sus ojos en las estrellas. Y cada noche se recuesta sobre su tumba junto al mar. Annabel Lee is the last complete poem composed by American author Edgar Allan Poe. Like many of Poes poems, it explores the theme of the death of a beautiful woman. The narrator, who fell in love with Annabel Lee when they were young, has a love for her so strong that even angels are envious. He retains his love for her even after her death. There has been debate over who, if anyone, was the inspiration for Annabel Lee. Though many women have been suggested, Poes wife Virginia Eliza Clemm Poe is one of the more credible candidates. Written in 1849, it was not published until shortly after Poes death that same year. The poems narrator

describes his love for Annabel Lee, which began many years ago in a so-called kingdom by the sea. Though they were young, their love for one another burned with such an intensity that angels became envious. It is for that reason that the narrator believes the seraphim caused her death. Even so, their love is strong enough that it extends beyond the grave and the narrator believes their two souls are still entwined. Every night, he dreams of Annabel Lee and sees the brightness of her eyes in the stars. He admits that every night he lies down by her side in her tomb by the sea.
