

## One Final Kiss (Family by Choice Book 10)

One final kiss. Sometimes we don't get a chance to say what we need to say, or do what we need to do. Sometimes all we get is one final kiss. Brittany has always been the epitome of strength and courage. For those lucky enough to be close to her, their lives have been forever changed for the better. Her biggest fear, for so long, was not being able to be the wife and mother her husband and daughter deserve. The challenges she has dealt with would level the strongest of people, but she continues to fight and she has always come out on top. Until now. Nobody saw this coming. Nobody could have imagined what was waiting for this family. When the fight comes at you from those you trusted, it does more than hurt. It destroys. Bill can't stop it. Jack can't fix it. Stephanie can't help it. Julie can't fight it. Tommy can't comprehend it. And Brittany... One final kiss.
