

Fortaleza Digital (Portuguese Edition)

Del mismo autor de los Bestsellers El Código Da Vinci y ¿Ángeles y demonios?, FonoLibro les trae una apasionante novela llena de claves secretas, mensajes ocultos, engaños y crímenes. Fortaleza Digital los mantendrá en suspenso y no podrá dejar de escucharlo hasta que llegue al final. La supercomputadora de la Agencia de Seguridad Nacional se encuentra con un código el cual no puede descifrar. El subdirector de la agencia llama a la hermosa criptógrafa Susan Fletcher, La única pista para romper ese código parece estar en el cadáver de un hombre fallecido en España, donde ha sido enviado el prometido de Susan, David Becker. Mientras David intenta hallar la clave y sobrevivir a la persecución de un metódico e implacable asesino en las calles de Sevilla, Susan se enfrentará a su propio drama en las desoladas instalaciones de máxima seguridad de la Agencia, durante una larga noche en la que la mentira y el asesinato acechan tras cada puerta. Anada a su colección ¿El Código Da Vinci? y ¿Ángeles y demonios? de Dan Brown, en unas magníficas producciones con la reconocida e insuperable calidad de FonoLibro.
