

Pastoral americana (LES ALES ESTESES) (Catalan Edition)

El protagonista de Roth es Swede Levov, atleta llegendari al seu institut de Newark, que creix durant els anys de postguerra, es casa amb una antiga Miss New Jersey, hereta la fabrica de guants del seu pare i es trasllada a una casa de pedra a la vila idilica d'Old Rimrock. Fins que un bon dia de 1968 a Swede labandona la sort americana que lhavia somrigut fins llavors.

Merry, la seva filla estimada, ha crescut. Abans era una noieta adorable i desperta. Ara sha convertit en una adolescent malcarada i fanatica -una adolescent capaç de dur a terme un extravagant acte de terrorisme politic. De la nit al dia, Swede es separat de la pastoral americana i llancat a la bogeria americana idiosincratica.
