

The Labyrinth of Life

The Labyrinth of Life is a novel written with the purpose of raising awareness and draw attention to social problems in Latin American society, although they are problems that confront every society in the world, until recently have been largely ignored in Latin countries. The novel is the story of a family for a close to a hundred years. It develops between these magical elements, unique folklore and beliefs in South America. Labyrinth of Life is the story of a boys struggle to preserve his principles and values ??intact amid the violence, abuse, suffering and pain that surrounds him.
