

Leos Chance (A Sign of Love Novel)

A companion (alternate POV) novel to the USA Today bestselling book Leo. Does everyone deserve a second chance? Even someone who lies and deceives to get it? Do we all have a second chance coming? Even if we play a part in our own destruction? How hard would you fight to have a second chance at love? A second chance at life? Another chance to tell your own story? Every love story has two sides. Evie told hers. This time its Leos chance. This is a POV novel of Leo (Leo should be listened to first). New Adult Contemporary Romance: Due to strong language and sexual content, this audiobook is not intended for listeners under the age of 18.
