

Les Miserables by Victor Hugo (Annotated)

Les Misérables translated variously from the French as The Miserable , The Wretched, The Poor Ones, The Wretched Poor, or The Victims), is an 1862 French novel by author Victor Hugo and is widely considered one of the greatest novels of the nineteenth century. It follows the lives and interactions of several French characters over a seventeen-year period in the early nineteenth century, starting in 1815 and culminating in the 1832 June Rebellion. The novel focuses on the struggles of ex-convict Jean Valjean and his experience of redemption. It examines the nature of law and grace, and expatiates upon the history of France, architecture of Paris, politics, moral philosophy, antimonarchism, justice, religion, and the types and nature of romantic and familial love. The story is historical fiction because it contains factual and historic events. Contrary to what some believe, it does not use the French Revolution as a backdrop. The French Revolution took place in the eighteenth century; Les Misérables takes place in the nineteenth century. The only revolution depicted is the June Rebellion, a student uprising. Les Misérables is known to many through its numerous stage and screen adaptations, most notably the stage musical of the same name.
