

## Letters Of Travel

Joseph Rudyard Kipling ( 30 December 1865 – 18 January 1936) was an English short-story writer, poet, and novelist chiefly remembered for his tales and poems of British soldiers in India, and his tales for children. He received the Nobel Prize for Literature in 1907. He was born in Bombay, in the Bombay Presidency of British India, and was taken by his family to England when he was five years old. Kipling is best known for his works of fiction, including *The Jungle Book* (a collection of stories which includes *Rikki-Tikki-Tavi*), *Just So Stories* (1902) (1894), *Kim* (1901) (a tale of adventure), many short stories, including *The Man Who Would Be King* (1888); and his poems, including *Mandalay* (1890), *Gunga Din* (1890), *The White Mans Burden* (1899) and *If* (1910). He is regarded as a major innovator in the art of the short story; his childrens books are enduring classics of childrens literature; and his best works are said to exhibit a versatile and luminous narrative gift. -wikipedia
