

Season Tickets: The Christmas Edition: Three Do-It-Yourself Dramatic Musicals

The Season Tickets Series is an answer to the frequent request: Please give us an easy-to-stage musical in which the storyline is more important than the songs. In many ways, Season Tickets: The Christmas Edition is just that. Each of the three scripts presents a warm and happy view of the yuletide celebration. Plays draw on people from different age groups, speaking to contemporary headaches and heartaches. Suggested songs in the back of the book provide guidance for the music to be inserted throughout the scripts. Paul McCusker is author of the three plays which ensures a well-crafted script. Deborah Craig-Claar provides extensive production notes and set renderings.
