

The Game

This is one of at least four stories London wrote about boxing, the others being *A Piece of Steak* (1909), *The Mexican* (1911), and *The Abysmal Brute* (1911). This writing, and especially *The Game* helped to make boxing a respectable literary topic. When London was accused of inaccuracy in *The Game* he answered his critic with *I have had these experiences and it was out of these experiences, plus a fairly intimate knowledge of prize-fighting in general, that I wrote The Game*. The book is alleged to have persuaded Gene Tunney to retire from boxing after he read the book in the late 1920s.
