

Madame La PRSidente (French Edition)

Panique mondiale ! La présidente des Etats-Unis, fraîchement élue, vient d'être enlevée lors d'un voyage officiel en Norvège. A Oslo, Stubo et Vik, profilers et, accessoirement, mari et femme, sont chargés de l'affaire et doivent collaborer, bien malgré eux, avec le FBI. De la nébuleuse terroriste aux coulisses du pouvoir, Anne Holt tisse avec maestria une toile diabolique, et met en lumière des secrets plus ou moins avouables.
