

Magic (Annotated): A Fantastic Comedy

*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. George Bernard Shaw goaded the already successful essayist and novelist Chesterton into trying his hand at a play, with this 1913 result. The play examines the powers and mysteries of faith, belief, religion, and of course, magic - a mixture that should be familiar from many of his Father Brown stories.
