

Mahogany Slade

So, whos Mahogany Slade? Stylish New Yorker Janet cant seem to shake her. Green-haired, tattooed Heather -- normally too cool to be bothered -- cant stand her. Andy, who has an opinion on everything, was never able to figure her out. And Brad, whos waiting for his life to start, might just love her if he could ever see past Janet. Set in Athens, Georgia, Mahogany Slade is the romantic yet acerbic story of young people escaping themselves in a town where your identity is everything. Its as sweet as Janet finds Brad and as irresistible as he finds her.
