

Missives in Red

Gathered into one collection Michael Randolph explores the heart and soul of human nature. A vast array of unique voices from all the different shades of life and death. Compelling in its overall reach of the depth and range of tragedy and hope, Missives in Red brings new breathe to Horror Poetry. Love and Anguish, Hope and Malevolence reside within, to shine for all to witness. With this massive collection of 140 poems you will laugh and cry, cringe and pull the blankets up farther as you take journeys into the darkness and light of our world and beyond.
