

The Essential Prose of John Milton (Modern Library Classics)

Edited by William Kerrigan, John Rumrich, and Stephen M. Fallon The legendary author of *Paradise Lost* and other poems was also a superb and provocative prose writer. Culled from Modern Library's definitive *The Complete Poetry and Essential Prose of John Milton*, this indispensable collection, authoritatively annotated and updated for this new volume, now includes selections from Milton's *Commonplace Book* and the complete text of *The Tenure of Kings and Magistrates* in addition to Milton's letters, pamphlets, political tracts, and essays. Milton tackles diverse subjects and takes controversial positions, including notorious defenses of divorce and protests against censorship. With expert analysis, a chronology of the author's life, clean layouts, and a comprehensive index, *The Essential Prose of John Milton* is an invaluable keepsake book bound to be a revelation for all readers of this monumental author. Meticulously edited, full of tactful annotations that set the stage for his work and his times, and bringing Milton, as a poet and a thinker, vividly alive before us. Robert Hass, former Poet Laureate of the United States
