

Moll Flanders (Italian Edition)

La madre di Moll è una reclusa nella prigione di Newgate che riceve un rinvio appellandosi al ventre, ovvero invocando la consuetudine di rimandare l'esecuzione per le criminali incinte. La madre viene poi deportata in America e Moll Flanders (questo, lei sottolinea, non è il suo vero nome, che non rivela mai) è allevata fino all'adolescenza da una buona madre adottiva; poi decide di andare a lavorare come serva presso una famiglia, dove viene amata da entrambi i figli.
