

## Sorrows Crown

Jonathan Kendricks grandmother lives in the upstate New York village of Felicity Grove. And whenever something of a criminal nature occurs, Grandma Anna is right in the thick of it. This time, the senior sleuth needs Jonathan's help to clear an innocent man's name. Zebediah Crummler, the cemetery caretaker, has been arrested for killing a member of the powerful Harnes family. Because of his childlike nature, Crummler is placed in an asylum, where his inconsistent tales and ramblings prove difficult for Jonathan and Anna to decipher. But they must be careful, for the Harnes clan has its own idea of rendering justice.
